## **Dear Parents**

Summer vacation is the much awaited time for the students. They want to make the best out of these days. At the same time, it's a great opportunity for parents to spend quality time with their children. These days are valuable and can be figured into the most useful time of the year.

### **A. Inculcate the habit of reading and writing.**

- Create reading rituals and read together with your child. It doesn't need to be a book always. It could be anything such as newspapers, magazines, hoardings etc.

### **B. Sensitize your children towards plants, animals, birds and their elders.**

- Grow plants with children and set a time to water them.
- Make them keep a shallow earthen pot full of water of animals, outside your house and on terrace for birds. Don't forget to feed the birds, stray dogs in this scorching heat.
- Ask them to respect their elders, hear stories from them, greet them in the morning. Also motivate them to help physically challenged person.

### **C. Make healthy lifestyle a priority.**

### **D. Edify children to adopt cleanliness and personal hygiene.**

### **E. Work in the direction of their overall development.**

- Try to converse in English with them , start with small sentences.
- Try to keep your ward away from internet in case, he/she asks for a screen time. Kindly restrict the timings for games and TV
- Motivate them to play outdoor games. Play with them.

### **F. Nurture in them the concern about nature and others .**

- Let them visit their hometown so that they stay connected to their culture and civilization.
- Make visits to public places and let them introduce about how anything functions.

The Holiday Homework must be completed in all respect and should be submitted to the class teacher/respective subject teacher within three days of reopening of School after summer vacation.

**'HAPPY SUMMER HOLIDAYS'**
