Dear Parents,

Summer vacation is the much awaited time for the students. They want to make the best out of these days. At the same time, it's a great opportunity for parents to spend quality time with their children. These days are valuable and can be figured into the most useful time of the year.

A. Inculcate the habit of reading and writing.

- Create reading rituals and read together with your child. It doesn't need to be a book always. It could be anything such as newspapers, magazines, hoardings etc.

B. Sensitize your children towards plants, animals, birds and their elders.

- Grow plants with children and set a time to water them.
- Make them keep a shallow earthen pot full of water of animals, outside your house and on terrace for birds. Don't forget to feed the birds, stray dogs in this scorching heat.
- Ask them to respect their elders, hear stories from them, greet them in the morning. Also motivate them to help physically challenged person.

C. Make healthy lifestyle a priority.

D. Edify children to adopt cleanliness and personal hygiene.

E. Work in the direction of their overall development.

- Try to converse in English with them , start with small sentences.
- Try to keep your ward away from internet in case, he/she asks for a screen time. Kindly restrict the timings for games and TV
- Motivate them to play outdoor games. Play with them.

F. Nurture in them the concern about nature and others.

- Let them visit their hometown so that they stay connected to their culture and civilization.
- Make visits to public places and let them introduce about how anything functions.

The Holiday Homework must be completed in all respect and should be submitted to the class teacher/respective subject teacher within three days of reopening of School after summer vacation.

'HAPPY SUMMER HOLIDAYS'

"Activity Chart For Nursery Class"

1)	Make a collage of father's day, the places you visited in holidays, photos of doing household chores with family members.
2)	Using different textured things such as dal, sand vegetable peels, glaze sheets, whole spices, leaves etc.
3)	Make a chart showing different colours and also name those colours.

PUSHPANJALI MODERN PUBLIC SCHOOL
